

ILeaderboardsListener

```
classDiagram
    class ILeaderboardsListener
    class Game
    Game --|> ILeaderboardsListener
```

The diagram illustrates a class hierarchy where the `Game` class implements the `ILeaderboardsListener` interface. The `ILeaderboardsListener` interface is represented by a gray rectangular box at the top, and the `Game` class is represented by a white rectangular box at the bottom. A blue arrow points from the `Game` box up to the `ILeaderboardsListener` box, indicating the implementation relationship.
