

ScriptFuncSet

```
graph BT; ScenarioFuncSet --> ScriptFuncSet
```

A diagram illustrating a relationship between two sets. At the top is a gray rectangular box labeled "ScriptFuncSet". Below it is a white rectangular box labeled "ScenarioFuncSet". A blue arrow points vertically from the top of the "ScenarioFuncSet" box to the bottom of the "ScriptFuncSet" box, indicating that "ScenarioFuncSet" inherits from or is a subset of "ScriptFuncSet".
