

ILeaderboardsListener

```
classDiagram
    class ILeaderboardsListener
    class SteamLeaderboards
    SteamLeaderboards ..|> ILeaderboardsListener : m_pLeaderboardsListener
```

The diagram illustrates a class hierarchy. At the top is the interface `ILeaderboardsListener`, represented by a white box with a black border. Below it is the class `SteamLeaderboards`, represented by a gray box with a black border. A dashed purple arrow points from `SteamLeaderboards` up to `ILeaderboardsListener`, indicating inheritance. To the right of the arrow, the text `m_pLeaderboardsListener` is written in a light gray font.

m_pLeaderboardsListener
